A great big thank you to all competitors for making the weekend such a spectacular event to watch. A big thanks must especially go to Ken and Sue Trollope. Owing to another slalom related issues that has taken an enormous amount of my time without them taking such a huge part in the organisation of this race it would have been almost impossible to get either of the races off the ground so successfully. Thanks also to Alice, any job that no one else volunteered for she got lumbered with! To the timing team, especially Andy as without his support I could not manage, Jacky and her team of Section and Gate judges, they took the brunt of the bad weather! Those who "volunteered" to run start and finish, Etienne for his sterling work on the commentary, World Class for designing and erecting the courses and Jenny Walker, Chief Judge.

Congratulations to Dan Rawding, Dave Rawding and Gwawr Evans on being promoted to the Premier Division

A huge thanks to Graham Mulholland for sponsoring the VIP area, and to his staff from EPM Technology, good to see his Mum & Dad, Pearl & Joe at a slalom again, I'm sure it brought back many fond memories!! Graham, as many of you know was at the top end of Premier for many years, and threatens every year to get back into a boat, and both Pearl & Joe were great supporters of the sport.

Having the VIP marquee was a way of putting the sport on the map and raising awareness to many people. There were visitors from the BCU, Sport England and UK Sport, East Midlands Development Agency and many of Graham's customers and prospective sponsors. Thank you Graham you made the competitors feel special or to quote Campbell " you made us feel like superstars" and that is what it should be.

I would also like to thank all the clubs, supporters of slalom and competitors for the support shown to me over this and last weekend. The most important people out there are those competing and we must not lose track of that.

I hope to be back next year organising the race where it should be - LLANGOLLEN!!
